As such, the puppies will test positive for wolf content according to UC Davis' "Wolf Hybrid" DNA test and Embark Vet's Breed Test, or any other similar DNA tests. Therefore, prior to placing a deposit to reserve a puppy from *Wolfdogs of the Ebon Blade*...

___ I hereby declare that I have diligently researched wolfdog ownership to know what to expect and I hereby verify that I have sufficient experience to be fully prepared to handle a wolfdog of the content I intend to purchase.

___ I hereby declare that I have diligently checked all federal, state, province, county, township, city, and homeowner's ordinances pertaining to my home of residence and I hereby verify that wolfdogs are permitted where I live.

___ I hereby declare that I have diligently contacted my landlord / State Department of Fish & Wildlife / local animal control office / any other relevant authorities and I hereby verify that I have obtained all relevant and necessary permits, licenses, permissions, etc. to keep a wolfdog at my place of residence. I hereby verify that I will adhere to all federal and state and local laws for legal ownership of wolfdogs at all times.

___ I hereby declare that, for the duration of my wolfdog's natural life, I shall not move to a place where wolfdogs are forbidden and I hereby verify that I shall take all necessary precautions to ensure my wolfdog's legal safety and wellbeing, including secure containment at home and proper control in public areas at all times (on leash if required by law, muzzled if necessary, current on vaccinations to include rabies, etc.).

___ If I decide to travel with my wolfdog, I hereby declare that I will not bring my wolfdog into states that have banned or restricted transportation of wolfdogs. I understand that some states, such as (for example) Wyoming, require a special permit to be obtained to even drive through the state with a wolfdog, or the animal will be confiscated by law enforcement.
